

Proper Deck State

What to check about your deck before a competition

Are the contents of your deck the same as the list you submitted?

Make sure the cards in your actual deck match the list you submitted.

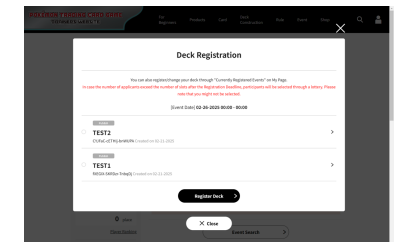

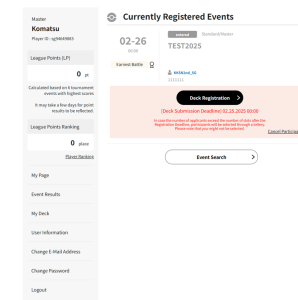

A mismatch could lead to a Penalty during the event.

What to do?

Double-check the list you submitted on the Trainers Website.

My Page

Does this count as *the same card*? - Part 2

Same card name, but different effect text.

Such cards are treated as **different** cards.

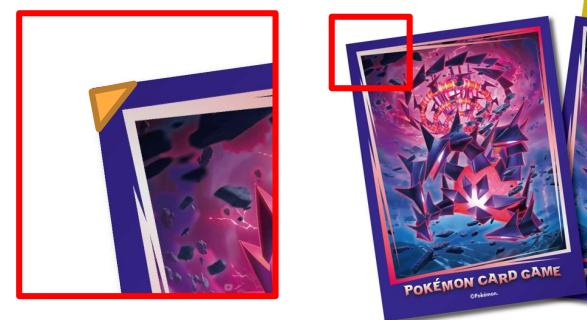

Are there any issues with your card sleeves?

Check the condition of your card sleeves.

If any of your sleeves are bent, damaged or marked in any way that could allow you to identify or locate a face-down card in your deck, you could receive a Penalty.

What to do?

It is recommended to change to new card sleeves when attending a competition.
It is also a good idea to bring a spare set of sleeves in case you need to replace them.

Are the contents of the card sleeves alright?

Check the condition of your sleeved cards

Players may receive a penalty if any stand-out features would allow to identify a face-down card in their deck: such as only some cards being double-sleeved, or bent cards.

What to do?

Double check the condition of your sleeved cards.

If only some of your cards are double-sleeved, either double-sleeve them all or put them all in single sleeves.

Cards with bends or other such outstanding damage should be replaced with non-damaged ones before the event.
